WHY PARTNER WITH ROYALTY LIMO™

AFFILIATE PARTNER PAYMENT POLICY

At Royalty Limo™, we believe our affiliate partners deserve the same level of trust, professionalism, and respect that we expect from them.

Our payment policy is simple:

✓ Royalty Limo™ prepays approved affiliate partners before the scheduled transportation service.

- ✓ No post-trip payment waiting periods.
- ✓ No 30-day, 60-day, or 90-day payment terms.
- ✓ No collection concerns.
- ✓ No payment uncertainty.

Once a reservation is confirmed, contracted, and funded by our client, Royalty Limo™ issues payment to the assigned affiliate partner prior to service through our approved payment process.

We understand that transportation companies incur real operating expenses including payroll, fuel, tolls, airport fees, vehicle maintenance, insurance, and administrative costs. Our goal is to support our affiliate partners by providing financial confidence before service begins.

All reservations are managed through the Limo Anywhere platform, providing transparency, accountability, reservation visibility, and streamlined communication between Royalty Limo™ and our trusted affiliate partners.

Our philosophy is simple:

You should be focused on delivering exceptional service — not worrying about getting paid.

When our partners succeed, our clients succeed. When our clients succeed, we all grow together.

Trust First. Service Without Compromise.

AFFILIATE PARTNER (MEMBERS ONLY) SUPPORT PROGRAM

More Than a Network. A Trusted Transportation Community.

At Royalty Limo™, we believe affiliate partnerships should work both ways.

While Royalty Limo™ regularly sources transportation solutions through our Trusted Elite Affiliate Partner Network, we also support our approved Affiliate Partners when they need transportation services outside of their own service area, fleet capabilities, or operational coverage.

For example:

- An Affiliate Partner receives a client request outside their local market.
- An Affiliate Partner requires transportation in another state.
- An Affiliate Partner needs specialty vehicles not currently available within their fleet.
- An Affiliate Partner requires Executive Sprinters, Mini Coaches, Motor Coaches, Luxury Sedans, Luxury SUVs, or specialty transportation solutions for an existing client.
- An Affiliate Partner requires support for private aviation, corporate events, sports teams, entertainment groups, government transportation, or VIP transportation requests.

In these situations, Royalty Limo™ can leverage its Trusted Elite Affiliate Partner Network Nationwide to help coordinate transportation solutions on behalf of the Affiliate Partner.

This enables our partners to:

- ✓ Expand service capabilities.
- ✓ Support nationwide clients.
- ✓ Access trusted transportation providers.
- ✓ Increase client retention.
- ✓ Strengthen customer relationships.
- ✓ Grow their business without increasing fleet size.

ROYALTY LIMO™ STANDARD: Respect the Standards. Protect the Trust. Earn the Opportunity.

Our Standards Are Non-Negotiable. Our Trust Must Be Earned.

If you cannot operate within Royalty Limo™ standards and policies, we are not the right partnership for each other.

Our clients include:

- Private VIP Clients (Members Only) | • High-Net-Worth Individuals | • Corporate Executives | • Executive Assistants | • Sports Teams | • Celebrities & Entertainment Clients | • Fortune 500 | Organizations | • Hospitals & Healthcare Systems | • Private Aviation Travelers |
- Most Importantly Private clients of our trusted Affiliate Partners who trust using our network.

For this reason, every vehicle assigned to a Royalty Limo™ reservation must reflect the professionalism, safety, reliability, and luxury standards expected by our Guests.

Trust First. Service Without Compromise.

At Royalty Limo™, we understand that transportation is a people business and that unexpected situations can arise. Delays, weather, traffic conditions, mechanical issues, and operational challenges are all realities of our industry.

What matters most is how we communicate, how we respond, and how we uphold our commitments.

Our Affiliate Partners are trusted extensions of the Royalty Limo™ brand. In return, we are committed to treating every Affiliate Partner with professionalism, respect, transparency, and fairness.

However, professionalism is not optional.

Communication is not optional.

Accountability is not optional.

If we determine that an Affiliate Partner consistently demonstrates poor communication, fails to honor commitments, provides unacceptable service levels, disregards operational requirements, misrepresents information, violates our policies, or simply does not take the relationship seriously, Royalty Limo™ reserves the right to immediately terminate the partnership.

No warnings are required | No future opportunities will be extended | No exceptions | Our Guests trust Royalty Limo™ | Royalty Limo™ trusts its Affiliate Partners | Our Affiliate Partners Trust Us | Trust, once broken, is difficult to rebuild.

We are not seeking the largest network.

We are building the most trusted network Nationwide.

Our Standards Are Non-Negotiable. Our Trust Must Be Earned.

We would rather work with one exceptional transportation company that consistently delivers professionalism and service excellence than one hundred companies that do not share our standards.

The transportation industry is built on reputation.

The Royalty Limo™ Trusted Elite Affiliate Partner Network is built on trust, accountability, communication, professionalism, and mutual respect.

Those who share these values will find a long-term partner committed to helping them grow.

Those who do not will be a fit for our network.

Our expectations are simple:

Be Professional.

Communicate Clearly.

Honor Your Commitments.

Take Care of the Guest.

Protect the Relationship.

Protect the Trust.

Because at Royalty Limo™, trust is not simply part of our business.

Trust is our business.

Our Standards Are Non-Negotiable. Our Trust Must Be Earned. Failure to comply with Royalty Limo™ policies may result in immediate termination of the partnership.

PREPAID TRANSACTION POLICY : Trust and financial accountability are essential to maintaining a healthy transportation network. Royalty Limo™ operates under a simple principle:

ROYALTY LIMO, INC.

Trusted Nationwide Ground Transportation Provider

✉ info@royalty.limo

🌐 www.royalty.limo

Money must move correctly, professionally, legally, and transparently throughout the network.

When Royalty Limo™ sources transportation services for an Affiliate Partner's client through our nationwide network, all reservations must be prepaid before service is confirmed.

This policy protects:

- ✓ Royalty Limo™ | ✓ The Requesting Affiliate Partner | ✓ The Servicing Affiliate Partner | ✓ The Guest
- ✓ The Entire Network involved.

As part of our commitment to Affiliate Partners, Royalty Limo™ prepays servicing affiliate partners before scheduled transportation services whenever applicable. To maintain this commitment and protect the integrity of the network, Affiliate Partners requesting transportation support through Royalty Limo™ must also provide payment prior to service confirmation.

No exceptions.

WHY THIS POLICY EXISTS

Transportation providers have operating expenses.

Fuel, Payroll, Insurance, Tolls, Airport Fees, Vehicle Maintenance, Compliance Costs, Administrative Expenses.

Professional transportation companies should never have to wonder if they will be paid for services performed.

Our objective is simple: Protect the network, Protect our partners, Protect our clients, Protect the reputation of everyone involved.

TRUST IS THE KEY

Trust is the foundation of every successful transportation partnership.

Trust is the foundation of every successful reservation.

Trust is the foundation of every successful business relationship.

By maintaining clear financial expectations, honoring our commitments, and ensuring payments are handled professionally and transparently, we create an environment where every Affiliate Partner can focus on what matters most:

Taking exceptional care of the Guest.

Together, we build stronger businesses.

Together, we create more opportunities.
